About Me

Welcome Beautiful Soul!

My name is Hannah and I am an Intuitive Healer and Life Purpose Mentor. I help Empaths and Sensitive Humans Embody a Higher Consciousness to Accelerate Your Life Purpose.

I have been working as a Healer, guide, teacher and more for many, many lifetimes. My gifts are strong, deep, very connected and run back a very long way, back through to Ancient times, when practises of magic, mysticism and Earth based spiritual practises were real, very active and accepted on this planet.

These gifts, live in my blood, they are in my DNA and it is here that I activate my awakening again this lifetime, to serve again, to the highest level of evolution to help humanity awaken back to their true nature.

Welcome Beautiful Soul!

So lovely to have you here precious Soul.

Okay, so here is our workbook that you can keep for life. If you can print it off, great - just be mindful of the first page/cover page with all that ink! You may want to skip the first page and even page 23 has a big chunk of ink there too. If you're not worried, then all good to go ahead and print!

Now, you don't have to print this booklet! It has been released in a way that you can write directly into the PDF on your device as you read it. However, you don't even have to do that either, you can simply write the headings and information into your special journal and just leave this on your device in a safe place/file.

Each month, I will hold a livestream in the Reality Awareness Support Group on Facebook.

On the 1st of each month, the date and time of the Livestream will be released. If you can't make the Livestream, the replay will always be there for you. If you can't find it, just post in the group, or send me a message and I will send you the link.

Over this next 12 months, we are going to cover 1 Divine Step, each month.

In this booklet, you have all 12 Divine Steps, so of course you can look ahead, however, each month the Livestream will explain each step, so no need to worry about what they mean this moment in time.

The last page, on page 35 are the Life Purpose Daily Alignment Affirmations.

If there was anything you were ever going to commit to in 2021 and want to just do one daily thing to keep you in alignment and connected - it is make a ritual of writing out these Life Purpose Daily Alignment Affirmations, every day. Seems a lot. But if nothing has shifted in your life yet - try this one thing for the next 12 months - everyday and tell magic hasn't happened for you. On the really busy days, read over the entire page instead. The other days, write them out with pen and paper.

I like to keep things simple, easy and manageable for your busy day to day life. However, the more time you spend on something, the more power, focus and shifting you place on it and this on a daily basis, creates a momentum and energy that wouldn't be there otherwise.

If you have any realisations, questions or just want to share - please post in the Reality Awareness Support Group on facebook and I will be there to answer you.

Here's to a powerful 2021 and the magic that comes from your willingness to deeply Awaken Your Life Purpose with the 12 Divine Steps.

12 Divine Steps

Divine Step #1: Honesty

Are you clear about your Values?

If no, write down 10 things that are really important to you in your life. If you don't know what is really important to you in your life, but you are very clear what you don't want or like having in your life, write down 10 things you don't want or like (if more come out, write them down):

1.

2.

3.

4.

5.

6.

7.

8.

9.

Divine Step #1: Honesty

Now write down the opposite of what you don't like or want - which will show you what you do want and what is important to you. (Important for focusing on what you want!):

12 Divine Steps

Divine Step #1: Honesty

These are now getting closer and more refined of your values. Your values are what are important to you, what you believe in life. When you have people around you that aren't in the same alignment with your values, you will find yourself second-guessing and doubting yourself most of the time, let alone being unhappy.

That doesn't mean you have to not have anyone in your life that isn't in alignment with your values (or do you? ;)). It just allows you to become more aware of who you want to hang around most of the time and teaches to you to accept others where they are, without needing to be right or even get them to see your point of view.

It does however, make you super aware of what feels right and what doesn't and keeps you clear in where you are going in your life, what you are creating and more.

Let's take a look at how Spider and Zircon can help to bring deep Honest awareness to your Life in practical terms.

12 Divine Steps

Divine Step #1: Honesty

These are just some examples - let your intuition guide you to ANY area you think of:

12 Divine Steps

Divine Step #1: Honesty

Go through these questions for each area of your life. You will need another piece of paper or your journal for this process. Once you do it, you can always scan your eyes over it and reassess and see how far you've come into alignment with each area.

For each topic/life area, you can go deep, for example, with your business you can cover each area of your business, how much time you spend in it, what jobs you can hand over, finances, marketing and more. Any area you use this process on, will shift it deeply for you, plus get you clear as so you can manifest what you WANT like a mofo;).

How Honest am I being with (fill in the blank) with 0 being the least honest and 10 being the most Honest?

How can I move towards more Honesty, Alignment in Integrity with this area of my life?

What immediate physical action do I need to take to make this happen, that would bring me into Alignment?

What action do I need to take later on to support this change?

12 Divine Steps

Divine Step #2: Open-mindedness

If you are feeling stuck, agitated or low in energy?

If yes, in what areas of your life are you needing to be more Open-minded about - even if you don't know how? (You can refer to the Honesty Check In Playsheet for ideas)

On a scale of 0-10, with 10 being the most, how Open-minded are you currently for the situations you just wrote down? Then, write how Open-minded you want to be. Then, write down an action to take to help start this process.

12 Divine Steps

Divine Step #2: Open-mindedness

Write down or draw any messages you may have received from Archangel Chamuel during the Attunement Meditation:

12 Divine Steps

Divine Step #3: Willingness

If you are feeling stuck, agitated or low in energy?

If yes, in what areas of your life are you needing to be Willing to FOLLOW THROUGH with your Intuitive Guidance of what is next for you?

On a scale of 0-10, with 10 being the most, how Willing are you currently for the situations you just wrote down? Then, write how Willing you want to be. Then, write down an action to take to help start this process.

12 Divine Steps

Divine Step #3: Willingness

I am getting the message to ask you here too, what part of your Self Care needs to be increased? And how Willing are you to move forward and make that happen, even though you can't see how it can be supported right now?

What else comes to mind, when you take a deep breath in, and exhale, about being Willing for you?

12 Divine Steps

Divine Step #4: Forgiveness

Write or draw your reflections from the Shadow Integration Meditation:

What Meditation practise are you going to use? Audio meditation, still mind, candle focus, other?

What Meditation practise are you going to use?

12 Divine Steps

Divine Step #6: Discipline

Is there somewhere you intuitively know that you are avoiding taking action everyday?

If yes, what is it? What action steps can you do to move through this avoidance?

What is the sensation in your body, the feeling - once you've moved through this and done the thing?
Write down 5 feelings that you would feel:

1.

12 Divine Steps

Divine Step #7: Faith

This is all about increasing Faith in different areas of your Life. If one area is affected, so too, will the other areas be affected, the pull will lag into other areas, so we want to rectify this in all areas.

Refer to Divine Step #1 Honesty to tap into each of the areas of your life with the following question:

On a scale of 0-10, with 10 being the most Faith, where do I need to increase my Faith in the each of the areas of my life from Divine Step #1 Honesty and the Spiderweb of areas of my life? Write down where you are at on the scale of 0-10 for each area of your life:

A large, empty rectangular area intended for writing answers to the question above.

12 Divine Steps

Divine Step #7: Faith

What can I do, to increase the areas of Faith in the areas that need increasing, what action steps can I do today, coming up, and future?

A large, empty rectangular area intended for writing or drawing, serving as a workspace for the user's response to the question above.

12 Divine Steps

Divine Step #8: Responsibility

What area of your life are you avoiding right now? Or is a struggle or issue/focus to you right now?

What action steps can you take to bring energy, change and focus on a daily basis to this area of your life? If you don't know, your action step, could be reaching out to a mentor who can help.

What Spiritual Healing tool or personal development action, do you need to use, to make massive impactful change in this area? And how often do you need to do this?

12 Divine Steps

Divine Step #8: Responsibility

How is my Life Purpose here to serve people to wake up? To serve the world? What is the most alignment that I can be, in my Life Purpose?

Our Bodies

- Aura
- Not limited to
- Just like chakras

12 Divine Steps

Divine Step #8: Responsibility

What Divine Responsibility do I have for the energy that I am bringing to the table? What do I need to do, to shift my energy to change the energy I bring to the table?

What area of my life, do I need to turn and face and take responsibility for? (You can refer to Divine Step #1 to check all areas of your 'web' as well)

12 Divine Steps

Divine Step #9: Love

There is Love... and then there is Love

"I must love them, I must forgive them" - when you are seething underneath is not Love.

When you are authentic with your feelings - that is Love. That is the powerful place that transforms.

Because Love is a state of Being.

Love is something that isn't forced.

Love is something that isn't 'directed'.

Love is something that isn't 'told what to do'.

This is different from setting intentions and more.

Because Love at it's core - is everywhere and in everything.

Love IS.

Love is the seed of everything that ever was and IS and will be.

When you think about this from a head and heart perspective, with head being the logical/analytical space, the head tries to figure things out, to analyse until the cows come home, making things right or wrong, good or bad, putting them into categories.

Yet, Love - is also in this space.

12 Divine Steps

Divine Step #9: Love

But it isn't one or the other.

Love isn't good, bad, right or wrong, it isn't something you receive once you've done something good enough to receive it.

Love is already there - in that entire process.

Because love holds everything together.

Because Love is in the Heart space and without your Heart beating - your mind wouldn't be analysing either.

Love is what holds everything together.

It is the glue if you may - but not in a tight, held together way.

Love is the freedom of the atoms pulsating altogether - free to do what they want - but being held by the Love at the same time.

Love just IS there.

Love is all encompassing.

Even in the dark space.

Even in the space that you think you can never come back from - your Heart is still beating - still, holding you.

12 Divine Steps

Divine Step #9: Love

Even when you can't feel it - your heart is still beating - Love, is still present.

You see, there are many logical processes that can unpick, rebuild, put back together, release and reform all the time.

Yet, under all of those, Love is still there.

Waiting...

For you...

To just...

Drop into it...

Because in this space... when you... Drop into LOVE...

The VIBRATION of LOVE...

When you let yourself FEEL IT in your bones, in your cells, in your blood...

When you ALLOW the LOVE vibration, that is so patiently waiting for you to return to consciousness of it's presence that has always been there?

Everyone dissolves, everything transforms...

Effortlessly.

Without any 'processing'..

12 Divine Steps

Divine Step #9: Love

Without any analytical understanding.. .

Without any picking apart and putting back together...

It is almost aliken to - having processed food, that has been picked apart, chemically enhanced and then eaten...

To - taking food straight from nature...

The absorption is fasting..

There isn't any processing tie...

Because it is it's natural state...

Just like Love.

It's natural state - which is btw - WHO YOU ARE - doesn't need picking apart, putting back together with chemical transformations...

It just IS.

And when you can allow yourself to drop into this space, to soften into this space, to ALLOW yourself into this space..

Into every cell of your being - over and over and over again..

You entire reality shifts.

12 Divine Steps

Divine Step #9: Love

You realise you aren't broken and don't need fixing.

You realise that you have never done anything wrong,

You realise you are enough - because you simply EXIST.

And from this place, your blood cells, balance and reform back to their highest natural state of health, wellness and you come ALIVE.

You come ALIVE at the abundance that is so readily available not only in nature - but in your natural every day space and beingness - simply because you ALLOWED it into the cells of your being.

This space of healing, that just IS, is very different to the mind analytical healing.

If you've tried everything and it hasn't worked, this is why... it has been head stuff, not heart, depth of heart and bodies stuff.

Love exists.

Everywhere.

Always.

Do you - allow it?

Do you know, how to?

12 Divine Steps

Divine Step #9: Love

On a scale 0-10, with 0 being the least and 10 being the most, how much love do you currently FEEL?

Taking a look at the Life Area Chart from Divine Step #1, Honesty, what areas of your life do you need to increase your willingness to Love?

12 Divine Steps

Divine Step #9: Love

What Affirmations and Journal Prompts can help you to increase your willingness to Love? That can bring you back into your Heart space of Love?

A large, empty rectangular area intended for journaling or writing affirmations.

12 Divine Steps

Divine Step #10: Wholeness

Using the SpiderWeb of Life as an Oracle, when I tune into it, what area of my life is weighing me down right now?

What does my intuition say to me, as I ask the question, "How can I shift this area of my life? What attention is it needing right now?"

Am I willing to do the work? If no, what can I do to become more willing?

12 Divine Steps

Divine Step #11: Joy

- Aligned Action Training
- 1% Off Livestream Support Call
- Daily Alignment Journal Prompt
- Power My Life Training

On a scale of 0-10, with 10 being the most Joy, how much Joy do you currently feel in your life?

Is there an area of my life in particular that is lacking Joy? (check the SpiderWeb of life for clues)

What areas of my life are out of alignment and that I need to take massive action on straight away?

What action steps can I take, to make Joy a more sustainable feeling in my life?

12 Divine Steps

Divine Step #12: Peace

Spend some time, journalling with each question:

Where are my dreams?

What do I put off, because I think I can't?

If there is a block here, what is it?

If money wasn't an issue, what would I be doing?

What do I see in the world that needs fixing?

Am doing that for myself?

What is the vibrational truth of it?

What is being reflected to me?

If I don't feel Internally Peaceful, what is out of alignment for me?

How can I come back into alignment?

Always an Energetic Alignment
